

Construction Update Normandy Blvd. Saxon to Firwood 2-1-09

Construction work continues on Normandy Blvd. between Saxon Blvd. and Sullivan Street. The northbound detour on Urbana Avenue will remain in effect until mid-March. Over the next three months, paving will be completed on the project, traffic signals at the Saxon Blvd. /Normandy Blvd. intersections will be upgraded, and all earth work & grassing at the offsite retention ponds will be complete. Estimated date of completion on the project is July 2009.
