4
5 The chair advised the committee members to continue submitting their information to
6 Mrs. Brown for adding to the Youth Advisory Web Page.

7
8 **b. Fundraisers for 2009:**

9
10 The members decided that there was not enough time to participate in the National

12 the Deltona Days scheduled for November 2009.

13
14 **c. Teen Dance:**

15
16 The teen dance raised \$91.00. The attendance was low and the committee members
17 felt that the reason was because it was only open to high school students and not to middle
18 school teens. One committee member who is in middle school commented that kids from her
19 school wanted to attend but could not do so because of the age restriction.

20
21 The members agreed that if another dance was held that the age range should be
22 widened to include middle school students. They also agreed that they would save monies for
23 more decorations.

24
25 Chair, Michael Damico thanked all the committee members for a job well done. Mrs.
26 Brown added that everyone did their part with setting up and breaking down and that
27 everything was handled in a smooth manner. She also thanked the parents for their
