City of Deltona
255 Enterprise Road
Deltona, Fl 32725

Dear Diane:

I am writing to inform you that the City of Deltona is authorized to purchase all materials on the Volusia County Pricing agreement Bid#08-B-58JG. Ferguson is a partner of Advanced Drainage Systems and is the Sole source distributor for their products for municipalities in Volusia County.

Moving forward you will receive Invoices from Ferguson where previously they had been sent by ADS. You will still receive the same great pricing and will now have two more points of contact for Customer Service.

Thank you very much for your business in the past and also for your business in the future.

Sincerely,

A handwritten signature in black ink that reads 'Justin Montandon'.

Justin Montandon
