# Commissioner sponsoring Cancer Awareness & Prevention Seminar

**April 20, 2009**— City of Deltona District 1 Commissioner Zenaida Denizac is sponsoring a seminar on cancer awareness in the Commission Chambers at Deltona City Hall, 2345 Providence Blvd. at **6:30 p.m., April 28**. The Seminar will focus on becoming aware of various types of cancer, cancer prevention and cancer treatment as well as total wellness information and health tips.

Dr. Ricardo Crisostomo, a hematologist and oncologist from Florida Hospital Fish Memorial, will give a presentation and then answer questions from the audience. Information will also be available from area health providers and pharmaceutical companies.

For additional information, please call (386) 878-8850.
