Deltona Hosts Flag Football World Championships

May 22nd, 2009—The City of Deltona and the Central Florida Sports Commission are hosting the 2009 Champs Sports Let It Fly World Championship this weekend, May 23rd and 24th, at the Dewey O. Boster Sportsplex. Approximately 130 adult and youth teams from across the nation are projected to compete in these “4-on-4” games starting at 9:00am on each day. All of the teams—men, women, boys and girls—will be playing for titles in 17 classifications, on fields that are 25 yards by 65 yards in size.

The Let It Fly organization is managing the championships games, and stated the excellent condition of the playing fields at the Sportsplex, as well as the amount of available field space was key in selecting Deltona for these games. Weather related field conditions mandated the move to Dewey O. Boster, located at 1200 Saxon Blvd., from the original locations at Embry Riddle University and Daytona Mainland High School. There is no admission charge to attend the Championship tournament.
