City of Deltona Lifts Outdoor Burn Ban

May 26th, 2009- For Immediate Release- The City of Deltona has lifted its ban on outdoor burning effective May 26, 2009. Recent rains have reduced the high drought level indicators and reduced the threat of wild fires. The burn ban which has been in effect for the City of Deltona since January 10th of this year was necessary as drought conditions remained in the Central Florida area.

Fire Chief Robert Staples states “the likelihood of wildfires posing a threat to residents and visitors of the City of Deltona has decreased significantly; we must all still be cautious while attending any outdoor fires and make sure that any outdoor burning has adult supervision & follows local ordinances.” If you have any questions you can call Deltona Fire Department at 386-860-7177
