Vice Mayor Michael Carmolingo Hosts Hurricane Awareness Workshop

June 12th, 2009—The City of Deltona and Vice Mayor Michael Carmolingo will host the 2009 Hurricane Awareness Workshop, on Thursday, June 25th at the Deltona City Hall Commission Chambers.

The Workshop is open to the public and will start at 6:00pm. The City is expecting guest speakers from the Volusia County Emergency Management Office, and the Deltona Fire Department, as well as from local businesses who can provide information on preparing your home for impending storms, and how to recover your property losses afterwards.

The City of Deltona encourages its residents to attend the 2009 Hurricane Workshop, so the City will be better prepared in the event of a hurricane and its effects. For more information, contact Lee Lopez/Public Information Officer at (386) 878-8755.
